DESCRIPTION

Designed with an airy open-plan layout, the home blends comfort and elegance with expansive living areas that flow beautifully toward the outdoor space, where a private pool, spillover spa, sun loungers, alfresco dining area, covered lanai, BBQ, outdoor kitchen, and peaceful golf course views create a wonderful setting for laid-back vacation days. A private putting green adds an extra touch of fun, while the balcony offers another inviting spot to unwind. Inside, the home is equally impressive, with a games room featuring a pool table and an upstairs loft that has been transformed into a private theater retreat with two rows of cinema-style seating and a bar area for memorable movie nights.

The five thoughtfully furnished bedrooms include three king rooms, one queen room, and a fifth bedroom with two queen beds, giving groups and families plenty of flexibility. A charming princess-themed bedroom brings a playful, imaginative element to the home, while smart TVs, flat-screen TVs, cable service, Wi-Fi, air conditioning, central heating, a fully equipped kitchen, washer and dryer, and all bedding and towels help make every stay easy and comfortable. Guests can also enjoy access to excellent shared resort amenities, including communal pools, tennis courts, a fitness center, golf, dining options, and beautifully maintained recreational spaces.
