### DESCRIPTION

## Open-Plan Living with Sea Views

Villa Scarlet is a magnificent property designed around a large open-plan layout. The fully fitted and equipped kitchen flows seamlessly into the dining area and a spacious lounge, all enjoying views towards the pool terrace and the sea. As a result, the villa offers a bright and contemporary atmosphere throughout.

On the ground floor, the modern lounge provides ample seating and a flat-screen TV with German and English channels. Furthermore, sliding doors open directly onto the exterior terrace and pool area, enhancing indoor-outdoor living. The kitchen features premium Gaggenau appliances and includes everything needed for a comfortable holiday stay.

Also on this floor, you will find two en-suite bedrooms, both overlooking the golf course.

## First Floor Suites and Rooftop Terrace

On the first floor, there are two further bedrooms: the master bedroom and the guest master suite. Both share a terrace with beautiful sea views. In addition, they provide access to a rooftop terrace with a seating area, where you can fully admire the surrounding scenery.

From the first-floor landing, you can also access the rooftop Jacuzzi. Consequently, guests can relax while enjoying panoramic views across the coastline.

## Lower Level Leisure Facilities

The lower level hosts two additional double bedrooms, which share a bathroom. Moreover, this floor offers exceptional leisure facilities, including a cinema room, gym, sauna, steam room, and a play area with a pool table and race simulators.

A utility area with washing machine and tumble dryer is also conveniently located on this level. Therefore, the villa combines luxury with practicality.

## Infinity Pool and Outdoor Living

The landscaped garden frames an impressive infinity swimming pool with stunning views. Spacious covered terraces and a built-in BBQ create the perfect setting for alfresco dining, complemented by high-quality outdoor furniture by the pool.
