DESCRIPTION

Zakynthos Villa Estate with Chapel

This Zakynthos villa estate with chapel offers a private and peaceful setting on the south east coast of the island. The villa overlooks Marathonisi island and enjoys unobstructed views of the Ionian Sea. In addition, the beach is only 200 m away, which makes the location both scenic and convenient.

Villa Coyote sits on a hillside within a vast private estate of pine and fir trees. Because of this natural setting, guests can enjoy privacy, tranquillity, and beautiful sea views throughout their stay. The capital town and airport are both 18 km away, while Laganas Beach is 12 km to the north.

This Zakynthos villa estate with chapel works well for families, groups, reunions, weddings, or private celebrations. The property includes a main villa, an independent live-in staff house, a heated swimming pool, Jacuzzi, pool bar, outdoor dining area, BBQ, chapel, garden, and generous parking.

Living Spaces and Kitchen

The ground level includes a bright living area with a fireplace, A/C, TV, and sound system. It also offers direct access to the pool terrace. As a result, guests can move easily between the indoor lounge and outdoor areas.

The fully equipped kitchen includes a dining area for 12 guests. It also enjoys pool and sea views, which makes shared meals feel special.

In addition, this level includes a laundry room and a guest WC. A home office space also gives guests a practical place to check emails or work during their stay.

Ground Level Bedroom

The ground level includes one bedroom with two single beds. It has A/C, an en-suite bathroom, hairdryer, TV, safe box, and an extra sofa bed.

This bedroom also offers sea views. Therefore, it works well for guests who want easy access to the main living areas and pool level.

Upper Level Bedrooms

The upper level includes five double bedrooms. Each bedroom offers sea views, and most rooms open onto large balconies.

The master bedroom has a double king-size bed, A/C, an en-suite bathroom, hairdryer, TV, safe box, balcony access, and spectacular sea views.

There are also two double bedrooms with A/C, en-suite bathrooms, hairdryers, TVs, safe boxes, and spectacular sea views. One of these rooms also has balcony access.

Another double bedroom includes A/C, TV, fireplace, safe box, extra sofa bed, balcony access, and spectacular sea views. The final double bedroom has A/C, TV, safe box, balcony access, and spectacular sea views.

A shared bathroom with Jacuzzi is also available on this level.

Playroom, Gym and Staff House

The villa includes a playroom with a multi gym, bike, and ping pong table. This gives guests extra options for fitness, games, and indoor entertainment.

The independent live-in staff house has its own entrance. It includes one bedroom with A/C, an en-suite bathroom, and TV. It also has a living room with lounge area, A/C, TV, and a fully equipped kitchen.

This separate staff accommodation helps keep service discreet and comfortable during the stay.

Pool, Jacuzzi and Outdoor Dining

The outdoor area centres around a private heated swimming pool of 63 sq. m. Pool heating is available on request at no extra charge.

Guests can also enjoy a heated Jacuzzi, sun loungers, umbrellas, and a pool bar. Moreover, the glass-fronted pool deck offers panoramic sea views across Laganas Bay and the Ionian Sea.

The outdoor lounge and dining area can host 14 guests. A wood and charcoal BBQ also makes al fresco meals easy. For special occasions, a private chef can prepare sunset dinners while guests enjoy the sparkling sea views.

Garden, Chapel and Parking

The estate includes landscaped gardens with lawn areas. It also has a chapel, which makes the property suitable for intimate ceremonies, weddings, or special gatherings.

An outdoor shower and outdoor sound system add extra comfort for poolside living. Meanwhile, the garage has space for one car.
