DESCRIPTION

The main entrance leads through to the open plan living area that combines the kitchen, dining and living areas which all blend seamlessly and benefit from the panoramic sea views. Floor to ceiling bi-folding doors allow for the outside to come in during the warm weather and for the living space to be extended into the garden and pool area.

Furnishings throughout the villa are chic and stylish. The master bedroom is located on the top floor and also contains a decadent jacuzzi as a part of the main bedroom area, with both the bed and the jacuzzi benefitting from the stunning views. The villa also boasts three further en-suite double bedrooms and a small gym. Externally, there is an infinity pool, BBQ and ample space and facilities for al-fresco dining.

There are many beautiful beaches to explore a short drive from Villa Cram but for diversity, Malaga is only a 15 mins drive and as well as being Pablo Picasso's birthplace, it has an impressive number of museums and monuments including the 11th century Alcazaba fort and Museu Picasso Malaga. The old city bustles with taverns and bistros. The generous Paseo del Parque offers a delightful stroll past banana trees and fountains.

Villa Cram is a cutting edge modern villa with truly outstanding sea views and is perfect for relaxation or exploring the extensive coast.
