Perfect for large family gatherings or events, the villa boasts expansive spaces where everyone can enjoy themselves, an infinity swimming pool, games room and gym for recreation along with several other services!

The six bedrooms at Crystal Blue Villa feature glass walls that offer the best views of the island that you can enjoy from your king-sized or queen-sized beds. Four of these well-furnished spaces lead to a private terrace as well. They have en-suite bathrooms with proper amenities and facilities for guests. There are writing desks in the room for a workspace and a spacious layout to relax.

A separate apartment found on the villa property houses three even spacious bedrooms that are also well-furnished with double beds and spectacular views. There is also a terrace for common ground to be enjoyed with everyone. Each bedroom has an en-suite bathroom with complete amenities.

A 12-metre swimming pool with an infinity-edge, abundant space for you to lie back on and stare at the sun, skies, beautiful vegetation, and the ocean, and you are all set for the time of your life. Lounge in the pool or sleep on the lavish daybed on the side, as you relish the tranquillity of the villa. There are sun chairs as well for you to relax on, along with several outdoor spaces where guests can sit and enjoy themselves in the open air. A swing-set beside the mountains is basically heaven on earth, and you get that and much more at Crystal Blue!

The interiors at Crystal Blue Villa speak volumes of Thai heritage and yet retain modern comforts to give you the best experience. The living areas are furnished with comfortable couches and armchairs, situated right next to the swimming pool for easy movement in and out of the living area. The room is carpeted and features a lavish display of several heritage pieces to highlight Thai culture. A pool table is placed in the room as well so that you can play a game or two with friends and family. A media room furnished with comfy couches, a flat-screen TV and a stellar view in the back is also accessible to guests.

A luxurious dining area is also located beside the swimming pool featuring a long 12-seater dining table so that everyone can enjoy a hearty meal together. An open kitchen with an island and barstools is fully-equipped and fitted with modern appliances for your ease and comfort. There is a multi-purpose gym in the villa as well equipped with machines for those who want to get a workout in!
