DESCRIPTION

Nestled in the heart of Tuscany, just a short drive from Florence, Villa Daguerre is a Renaissance-era property with spectacular grounds. Guests can wander through the lush forests, olive groves and vineyards, or explore the enchanting Renaissance gardens dotted with ornate fountains and statues. Surrounded by ancient olive groves, this magnificent villa has been meticulously restored. With an exclusive infinity pool, this exceptional villa can accommodate up to fourteen guests in seven suites complete with bathroom.

Surrounded by seven acres of fertile land shielded by a 15th-century stone wall, the villa boasts enchanting Renaissance gardens dotted with ornate fountains and statues. To embrace the splendid Tuscan scenery, Villa Daguerre features six spacious terraces, each with its own spectacular and mesmerizing views. Offering a calm atmosphere, the villa boasts an exclusive infinity pool and a generous poolside area furnished with sun loungers inviting guests to sit back and unwind while enjoying the panorama.

With breathtaking views of the surrounding countryside, the poolside area represents an idyllic spot for basking in the sun and enjoying wonderful moments of relaxation. The outdoor area also features the 30 square-meter Conventino, perfect for fitness and yoga sessions, as well as small workshops, cozy gatherings and romantic dining. The Diana Temple, sitting at the end of a cypress-lined path, is perfect for an intimate ceremony, and there is a beautiful chapel for those looking for a romantic setting in which to say their vows.

Dating as far back as the early 15th century, the villa has been masterfully restored. The property features Renaissance architecture, ornate décor, stone fireplaces, stained-glass windows, and Florentine frescoes, combined with luxurious modern comforts throughout. There are multiple living spaces including five salons, two dining rooms, and a beautiful library. Up to 14 guests can be accommodated in the seven suites. Many of the suites offer private living rooms, and all feature en-suite facilities, most with luxurious bathtubs.

The Portrait Salon is the largest of living spaces, featuring a custom s-shaped sofa, a period fireplace and a beautiful frescoed ceiling. The adjacent Marble Salon is perfect for intimate dinner parties, featuring a corner bar and direct terrace access, while the Sacristy Room is perfect for entertaining younger guests as it is the only room with a TV. The Medici Salon boasts comfortable and large armchairs overlooking a stone fireplace, while the Tower offers a secluded place to relax and take in the views.

The villa also offers a Coat of Arms Hall, a generous atrium with an impressive glass-domed ceiling, a first-floor loggia with dark ceilings, a family dining room, and a historic family kitchen, as well as a professional chef's kitchen. Just steps from the villa is the Limonaia, flooded with natural light and ideal for small events and gatherings. For those looking to host an intimate wedding or simply escape to the Tuscan countryside with loved ones, Villa Daguerre is the perfect location to create lifelong memories.
