DESCRIPTION

Large Beach Villa for 30 Guests

This large beach villa for 30 guests offers a spacious private retreat with sea views, flexible accommodation, and excellent group facilities. Villa Dane measures 600 sq. m. and consists of a three-level main house, a two-level guesthouse block, and an extra ground-floor guestroom by the sea. As a result, it works well for large families, groups of friends, retreats, or special gatherings.

The main entrance opens into a spacious open-plan living room with stunning sea views. This area also includes a dining space and a modern kitchen with professional cooking equipment. This large beach villa for 30 guests also features a private infinity-edge swimming pool, outdoor terraces, pergolas, BBQ area, laundry area, Wi-Fi, air conditioning, TVs, organic toiletries, pool towels, and weekly towel and linen change.

The beach is just one minute away, giving guests quick access to the sea throughout the day. Therefore, Villa Dane combines relaxed beachfront living with the space and facilities needed for a comfortable large-group holiday.

Open-Plan Living and Professional Kitchen

The main house includes a spacious open-plan living room with beautiful sea views. This creates a bright and welcoming place for guests to gather.

The dining area sits within the same open-plan space. Moreover, the modern kitchen includes professional cooking equipment, allowing meals to be prepared for up to 30 guests at the same time.

Guests can dine indoors or outside on the terrace with the view. In addition, the organised BBQ area creates another easy option for relaxed outdoor meals.

Main House Bedrooms

The main house includes five bedrooms. Each bedroom has its own private bathroom with a stand-alone shower.

Two of the bedrooms include three single beds, making them useful for children, friends, or flexible group arrangements. All rooms are simply decorated with a Mediterranean feel.

TVs and air conditioning are available in each room. As a result, guests can enjoy privacy, comfort, and cool indoor spaces during their stay.

Luxury Villa Living

Guesthouse Block and Sea Guestroom

The guesthouse block includes two family rooms. Each family room is arranged as two bedrooms together, with twin and triple layouts.

There are also two more bedrooms in this block. In total, this level includes four bathrooms, making it practical for larger groups.

The extra guestroom by the sea includes one double bed and an en-suite bathroom with shower. Therefore, it offers a peaceful and private space close to the water.

Pool, Terraces and Beach Access

Villa Dane includes a splendid private swimming pool with an infinity edge. The spacious deck and sunbeds make it ideal for sunny days outdoors.

Outdoor terraces and pergolas provide several areas for relaxing, dining, and enjoying the views. Meanwhile, the beach is only a minute away for guests who prefer swimming in the sea.

A laundry area adds extra convenience during longer stays. With its 600 sq. m. layout, capacity for 30 guests, private infinity pool, beach access, professional kitchen, BBQ, guesthouse block, sea guestroom, terraces, pergolas, Wi-Fi, air conditioning, and sea views, Villa Dane offers a spacious and memorable beachfront escape.
