### DESCRIPTION

The villa is extremely spacious and is set at an ideal distance to each other to provide the ultimate in privacy.

Set among fabulously scented gardens, blessed by natural beautiful surroundings and the unforgettable clear turquoise waters of the Ionian sea, your every moment will be memorable! Atropas is part of a complex of three independent villas which are built amphitheatrically, providing a breathtaking panorama with stupendous views of the Ionian sea and the city of Corfu, from every room.

Settled amidst a 6000 s.q. m. garden of indigenous flowers and trees, where the fragrances from the herbs and shrubs complete the aesthetic perfection. Here you can enjoy the beautiful nature and relax with the sound of the waves splashing on the shore.

Take a deep breath of fresh sea air, surrender yourself to the realm of colours and fragrances and.....just relax! All rooms are bright and airy, furnished with parquet flooring and painted with soothing pastel colours. Floor-to-ceiling windows, flood the rooms with light and give the sense of bringing the outside, in!

A pathway offers access to a private, pebble beach, right under the property, which used to be a mooring place for the British navy, during the British presence in Corfu.
