DESCRIPTION

Villa Deere has preserved a beautiful old lemon-orchard, which is surrounded by a portico. The terraced garden allows one to enjoy some of the most beautiful views in the world.

The villa is divided into two buildings that are independent, but joined together and as a whole faces toward the large garden and the sea, creating charming little nooks which enable you to enjoy the tranquil atmosphere typical of this area to the fullest. The dependance has its own independent entrance and has the same high-quality characteristics as the villa. Furnished with antique pieces and embellished with shells and copper antiques, everything in the house recalls traditional customs of the area while at the same time its closeness to the sea.

Villa Deere is equipped with telephone, satellite TV, VHS, stereo with CD player, air-conditioning in the bedrooms and living-room, a washing-machine, dishwasher, grill, microwave oven, direct access to the sea with 4 deck-chairs. From the beach there is a footpath of about 1 km that leads straight to a little village on the sea called Marina della Lobra where you will find a bar and a food shop.
