

Luxury Villa Living

Villa Dickson

The villa covers an area of 9,000 square meters and has a 5,000 square meter terraced garden, the upper level of which contains the 17 x 9 meter swimming pool. The outside of the villa is surrounded by terracing featuring numerous flowerbeds filled with plants as well as typical Sicilian furnishings (majolica, ancient amphorae, earthenware jars, ceramics and sculptures). Annexed to the swimming pool is 1 bathroom, 3 outdoor showers, a mini-bar, table, deckchair, beach umbrellas and outdoor living areas.

The panorama is truly breathtaking and it is possible to admire the gulf and make out the islands of Ustica and Isola delle Femmine in the distance.
