All 10 bedroom suites at Villa Diver are air-conditioned and either has a private balcony or a terrace. The villa also features a large outdoor terrace with BBQ for eating "al fresco" and a wine cellar where it is possible to arrange private wine tastings. The landscaped garden surrounding the villa totals 2,500 m2 and looks especially attractive when floodlit in the evenings, with the cascading Jacuzzi which can be heated, feeding into the tropical style swimming pool. There is also a fully equipped gym for work-out sessions or yoga, massage room and sauna.
