### DESCRIPTION

Light and space are at the centre of the villa's design and the technological specification is quite unique in supporting a level of comfort and security rarely seen even in the most luxurious of properties. Combine this with a high level of privacy and Villa Donald perfect for guests who put a premium on undisturbed peace and relaxation.

A long pool, surrounded by decking, is complemented by a pergola offering large comfortable sofas and a delightful dining area. Modernist in style with furniture, fittings and lighting chosen to reflect its clean lines and classic modern style and positioned to make the most of the sea views, the house gives an overall feeling of calm in an environment of under-stated luxury.
