DESCRIPTION

Mykonos Villa with Home Cinema

This Mykonos villa with home cinema offers a modern and luxurious retreat designed for guests seeking comfort, privacy, and cutting-edge amenities. Villa Drone combines sleek architecture with advanced technology, panoramic sea views, and beautifully arranged outdoor spaces. As a result, it is ideal for families or groups who want a refined island escape with exceptional entertainment and relaxation facilities.

The villa features six double bedrooms, soundproof walls, private bathrooms, a home cinema wall panel, integrated surround sound speakers, satellite TV, Wi-Fi, fully air-conditioned interiors, wine cellar, relaxation hammam, infinity pool, water fountain, heated pool option, rooftop terrace, open-air hammock room, shaded pergolas, minimalist dining space, and 360-degree Aegean views.

The atmosphere feels sophisticated, serene, and effortlessly indulgent. Therefore, guests can enjoy cinematic evenings indoors, peaceful afternoons by the pool, and sunset moments from the rooftop terrace overlooking the sea.

Modern Design and Technology

Villa Drone is a modern architectural gem with state-of-the-art appliances and advanced safety features. Its design focuses on comfort, privacy, and effortless luxury.

The technological highlight is the impressive home cinema in the spacious living room. Moreover, the massive wall panel and integrated surround sound speakers create an immersive entertainment experience.

Satellite TV, Wi-Fi, air conditioning, and a wine cellar add further comfort. As a result, the villa feels both elegant and exceptionally well equipped.

Living Spaces and Entertainment

The spacious living room is designed for both relaxation and entertainment. Its home cinema feature makes it perfect for movie nights, sports events, or quiet evenings indoors.

A minimalist dining space sits close to the pool area and captures panoramic sea views. In addition, the villa’s open layout supports a natural flow between indoor and outdoor living.

Every detail has been created to make stays feel seamless and comfortable. Therefore, guests can move easily between shared meals, entertainment, and moments of calm.

Luxury Villa Living

Six Soundproof Bedrooms

Villa Drone offers six beautifully appointed double bedrooms. Each bedroom features soundproof walls, helping guests enjoy privacy and deep relaxation.

On the ground level, the master suite opens directly onto the pool terrace. It includes sweeping sea views and a luxurious double-sink bathroom.

A newly built sixth bedroom is also located on this level. Moreover, it has its own independent entrance and sits beside a tranquil relaxation hammam, creating a private retreat within the villa.

Upper-Level Bedrooms and Terrace

Upstairs, four double bedrooms are positioned on all sides of the villa. Each bedroom includes a private bathroom for comfort and independence.

These bedrooms open onto a shared terrace with sunbeds. In addition, the terrace includes a unique hammock lounge shaded by a wooden pergola.

Stairs connect this level to both the rooftop and the pool area below. As a result, the layout feels practical, scenic, and beautifully connected across the villa.

Infinity Pool and Rooftop Views

Outdoors, the infinity pool is built into a natural stone wall and features a gentle water fountain. The pool can also be heated upon request.

Sun loungers and a shaded sitting area beneath a wooden pergola create comfortable spaces for relaxing by the water. Moreover, the open-air hammock room offers an extra sense of calm and seclusion.

The rooftop terrace provides breathtaking 360-degree views across the Aegean. With its home cinema, six soundproof bedrooms, relaxation hammam, heated infinity pool option, rooftop terrace, open-air hammock room, wine cellar, surround sound system, shaded pergolas, and location near Agios Stefanos and Mykonos Town, this Mykonos villa with home cinema offers a sophisticated and serene island escape.
