### Interior

Inside, Villa Dubois showcases the owners' deep passion for antiques. Each room is adorned with original 17th and 18th-century furniture, rare prints, Persian carpets, and historic doors. The ground floor features a grand lounge and dining area with a majestic stone fireplace. It can comfortably seat up to 14 guests. In addition, a cozy second sitting room leads to a large Tuscan kitchen, equipped with an antique marble sink and traditional oven.

The villa offers four beautifully appointed bedrooms. On the ground floor, a double bedroom opens onto a covered veranda overlooking the gardens. Upstairs, a stunning stone staircase with a wrought-iron bannister leads to the remaining bedrooms. The master bedroom includes a private bathroom with a Turkish bath and shower. Two additional bedrooms share a luxurious bathroom with a Jacuzzi bath, complete with light and aromatherapy features. Throughout the villa, original cotto floors, restored beams, and charming historic details create a warm and authentic atmosphere.

At its heart lies a spectacular infinity swimming pool (8m x 16m) with a hydromassage area for up to eight guests. Moreover, next to the pool, guests will find a large changing area with showers and a restroom, enhancing the comfort of outdoor living.
