DESCRIPTION

There are light-yielding windows framing sea views, a rooftop sun terrace complete with Jacuzzi and an Instagram-worthy infinity pool. Inside, the five-bedroom suites—three downstairs, two upstairs—invite relaxation with curated furnishings, artworks and decorative objects. Two kitchens and a fully-fitted gym with sauna and steam bath complete the interior. Outside, guests can steal off to peaceful recesses, such as a shaded garden gazebo or the sun-drenched poolside patio before reconvening in the barbecue area for an alfresco lunch or dinner.

Though guests will have everything they need within the villa, there are lots of opportunities to venture beyond its boundaries and explore the Algarve. Two magnificent beaches are just a few steps away, while all the facilities of VILA VITA Parc, from daily housekeeping to Michelin-star dining, sports activities to spa treatments, are available to guests of Vila Eagle.
