DESCRIPTION

The interiors are match the stylish modernity of the outside, with shiny wood panel flooring set dramatically against white walls, and velvet upholstery of deep reds and burnt oranges.

Spacious en-suite bathrooms pop up with colour, one feature a huge lime green bath tub and others with sliding glass doors that are in keeping with the design of the rest of the house.

Bright red bunk beds, stylish modern art, and private terraces also all feature, and many of the rooms have their own desks for those who need to steal a couple of minutes to get their heads down.

Downstairs, a huge central fireplace is set in a metal encasement, around which comfortable sofas are positioned to create simultaneous feelings of togetherness and privacy.

A huge L-shaped sofa dominates the sitting room, and the floor to ceiling walls add a sense of grandeur to the place that will not be lost on you, built on by a magnificent piano that is yours to play throughout your stay. A spacious chic vibe emanates from the walls of Villa Egret

The pool and outdoor area are truly stunning.

With floodlights surrounding it, the pool is the garden's hub both at night and in the day.

The glass walls of the house allow light to filter out into the gardens at night, creating a cosy and inviting atmosphere.

There is plenty of dining place outside, and a special chill area just to the left of the pool, with a covered outdoor sofa. A state-of-the-art barbecue will be the starting place of many a fun evening.
