DESCRIPTION

Villa Elm sits on 30 hectares of gardens and has stunning sweeping views of the bay of Alcudia and the Tramuntana Mountains. If you choose to stay here, you'll be ideally placed 30 minutes from Palma and 30 minutes from the beach in the North.

The villa is decorated with unique hand-picked items, works of art from around the world and a style that mixes modern luxury with Mediterranean charm. The property is ideal for winter as it features under floor heating and the wonderful saltwater pool is heated. The WIFI connection can be accessed throughout the villa, terraces and gardens, and air conditioning is throughout the house.

A great one for the tennis players amongst us, the property features a shared full sized tennis court and a table tennis table. The kids aren't likely to get bored here as there is a billiard table and big screen HDTV when playing outside gets too warm.
