DESCRIPTION

This 5 bedroom villa has a spacious and airy feel throughout, an open plan kitchen with stylish monochrome breakfast bar and an attractive wine fridge. So that's a good start. The terraces of Villa Ennis pack a punch too; there are outdoor spaces on the ground and first floor with covered areas and soft, shaded seating to give a little respite from the Andalusian heat. The crisp, outdoor pool has a number of tasteful loungers and we are sure that having dinner al fresco may just become your new hobby here in the villa's covered outdoor dining area.

The property has 5 bedrooms in total, spread over three floors. The master suite looks out onto a terrace from where you will see stunning views as you start the day. The bathrooms follow the same design principles: a nod to good taste, comfort and practicality with high-spec fixtures. The fun in Villa Allspice may really start downstairs though as the basement is a real delight. Here you will find an indoor pool, snooker table and bar, gym, wine cellar, Hammam and sauna.

Nueva Andalucia is known for its golf courses, restaurants and shops. The villa is located within easy access of all facilities. A perfect choice for a relaxing holiday for golfers or those wishing to explore the 150 km of coastline Costa del Sol offers. Puerto Banus, Marbella and the Golden Mile are only short car journeys away.

Villa Ennis is a wonderfully stylish villa in an unbeatable location.
