DESCRIPTION

The villa's design complements its surroundings, with Cantera tile floors and locally crafted furnishings that create a warm, authentic ambiance. Each bedroom offers sweeping views of the ocean or rugged natural rock formations, paired with spa-like bathrooms and thoughtful details like luxury bedding and nightly turndown service. The open-air living spaces flow effortlessly, from the infinity pool overlooking the water to the rooftop terrace, where sunsets and stargazing become unforgettable experiences.

From the back door, step directly onto Playa La Bocana's golden sands. Stroll along the shoreline to the Copalita River, or unwind with a traditional mud bath in the shade of swaying palms. For those seeking adventure, Huatulco's famous nine bays and dozens of untouched beaches are waiting to be explored. You can also collect driftwood, watch fishermen bring in their catch, or relax by the water with the sound of the waves. There is year round surfing directly in front of the villa with world class point breaks down the coast towards Salina Cruz including the world famous Barra de la Cruz just 25 minutes away!

Villa Escondida is more than a place to stay, it's an invitation to live fully. Whether you're lounging poolside, savoring meals in the open-air dining areas, or soaking in the serenity of your private suite, the villa offers a balance of privacy and togetherness. Here, the pace slows, the views inspire, and the memories last long after your trip ends.
