DESCRIPTION

This luxurious villa is ideal for parties of up to thirteen people who are seeking a tranquil and secluded escape while being on the doorstep of the beach clubs and coastal restaurants for which this area is renowned.

The natural stone walls and sleek white render of Villa Finney create a charming, rustic ambience which blends seamlessly with the surrounding rocky hillside. In front of the property, the beautiful infinity pool seems to hover above the headland, the shimmering Aegean waters dazzling on the horizon.

Beside the pool, a wide bank of lounge seating makes for the perfect spot to enjoy a sundowner before heading out for the evening. Or relax poolside by day on one of the loungers that line the terraces. Closer to the main house, a veranda shaded by wooden rafters boasts an al fresco dining table, seating up to 12. It's a glorious spot to watch the sunset or enjoy a meal with friends under the stars.

The inside boasts characteristic Mykonos charm: high ceilings, pale wooden rafters, and whitewashed walls – all brought bang up to date with polished cement floors and high-end amenities. Plush sofa seating in neutral tones overlooks the pool terrace and sea views, while the kitchen seamlessly blends glossy white units with natural wood, and a charming breakfast nook, seating eight.

The dreamy white linens, polished cement floors and spacious light-filled rooms continue throughout the guest accommodation, which is split between the main house and an additional luxurious master suite in the guest house.

As well as the hot tub, infinity pool and plunge pool, Villa Finney also has a spacious, well-equipped gym with big picture windows that make the most of the wonderful views; it's quite a panorama to work out to!
