DESCRIPTION

Biscaia itself is a charming village located in the heart of Cascais. It boasts the best of both worlds, with mountains on one side and the Atlantic Ocean on the other. With space for 8 guests, the Villa Firecrest features three sleeping houses that all share a common terrace and swimming pool- the hub of the villa! Each house has its own private bathroom and open-plan kitchen/living room with TVs in each and large dining tables that accommodate all the guests. There are two houses with one bedroom and one with two.

The en suite bathrooms are large, modern, and inviting, with pale marble walls and power showers throughout. Kitchen areas are completed in browns and muted blues and greys to create a cool, modern and spacious atmosphere, and sliding French windows lead on to the pool and terrace beyond.

There is a weekly cleaning service for three hours, and of course our five star concierge service is on-hand to help you with anything you should want. Upon arrival, look forward to being greeted with a bulging welcome hamper full of treats for all your guests. All in all, a stay at Villa Firecrest will remain an unforgettable adventure that no one will forget.
