DESCRIPTION

Villa Fogarty has beautiful gardens with almost palatial, tropical plants lining the impressive swimming pool, where you will also find a choice of premium loungers. The villa offers a unique charm and serenity, despite its central location, that is hard to match. Here, you'll have everything you need to reinvigorate your senses. Wake up to bird song and take your morning coffee on one of the stunning terraces, with views of La Concha mountain in the distance. Spend leisurely afternoons at the poolside or lose yourself in the botanical gardens of the neighbouring Puente Romano resort.

Villa Fogarty is located in a small enclave nestled between the iconic Marbella Club hotel and the glamorous Puente Romano. It doesn't get better than this. These two most prestigious hotels offer an incredible choice of restaurants, bars, boutiques and beautiful gardens. The area is ideally located for Puerto Banus and Marbella old town, which are both a short car journey away.

Villa Fogarty is truly a luxury retreat in one of the most desirable locations of Marbella.
