Villa Gadirova

This luxury 7 bedroomed villa located in the heart of Nueva Andalucia was built to impress and leave you feeling pampered. A true gem close to Puerto Banus yet enjoying its own tranquil location. The stylish spacious rooms, beautiful features and elevated position overlooking the golf valley set Villa Gadirova apart. Arguably, however, it's the stylish interior that takes it to the next level. Decorated impeccably, with just a touch of oriental influence, Villa Gadirova feels more like a "boutique hotel meets indulgent spa."

DESCRIPTION

Villa Gadirova has all the high quality features one might expect in a property of such standing, with comfortable lounges and a cinema room, indoor and outdoor pools, its own gym and stunning terraces. Choose whether to dine in the covered outdoor dining area or sip a cocktail at the poolside bar. Inside, you'll find several lounges each with its own twist on the fantastic design theme. The kitchen is good enough for any chef, with tasteful black units, plenty of room to cook and forming part of an open plan dining area where the black and off-white tones coordinate perfectly throughout. The 7 bedrooms and 7 bathrooms are quite something too! With an almost regal quality, the beds are kitted out with the finest linens and fashionistas need not fret; there is plenty of space for all your finery in the large, fitted wardrobes. They say water heals the soul, and one of the bathrooms would be better described as a sanctuary! With its own free-standing bath in a private courtyard, you can bathe those troubles away in the open air listening to birdsong, yet maintain the utmost privacy.

Marbella's Nueva Andalucia is known for its golf courses, restaurants and shops. A perfect choice for a relaxing holiday for golfers or those wishing to explore the 150km of coastline Costa del Sol offers. Puerto Banus and The Golden Mile are both only short car journeys away.
