### DESCRIPTION

Nestled on a cliff overlooking the sea and appointed to the highest of standards Villa Gillette is a dream holiday villa in one of the most sought after seaside locations in Tuscany. With the charming small town of Porto Santo Stefano (a glamorous harbor for yachts) and the colourful Porto Ercole at its doorstep, lovely beaches, crystal clear sea waters and unspoilt lush landscapes you will experience the best Tuscany has to offer. The lively fishing port of Orbetello, with its blue-tinged lagoon is also nearby.

The villa's airy and contemporary interior is striking without compromising on comfort. Elegant minimalist decor mixed with a hint of blue shades provide a nautical flavour, enhanced by the creative use of glass to ensure the breath-taking sea view is preserved at every opportunity. On the terrace a sparkling infinity pool blends seamlessly into the gloriously blue waters of the bay. The villa offers an extensive panoramic 4000 sqm park, where a large wooden deck leads you to hidden places offering relaxing moments in the comfort of loungers or sheltered picnic spots.
