Exteriors

Standing on a hilltop, the villa is surrounded by 10 000 square metres of landscaped gardens. These open out onto a beautiful landscape of woods and fields. The property has beautiful views. It looks directly out onto one of the prettiest castles in Umbria and its golf course. The heated infinity pool (measuring 7×15 metres) also offers great views of the countryside. Close to the pool you will moreover find a Jacuzzi which can hold up to 8 people, and a surrounding terrace with sun-beds and parasols. Each apartment has a furnished outdoor area, and there is also an outdoor dining table. This seats up to 18 people, perfect for sunny *al fresco* meals. For golf lovers, the villa also has a private putting green with putters.

Location

Our historic villa is located in the very heart of Umbria. It is close to the art towns of Perugia, Gubbio and Assisi, and to the picturesque Lake Trasimeno. The farmhouse dates back to the 14th century. It stands on the top of a hill that overlooks the medieval castle of Antognolla and its exclusive 18-hole championship golf course. The most stunning features are its views, the infinity pool, and its elegant interiors.
