### DESCRIPTION

The estate consists of two exposed stone buildings: The main villa, fully air-conditioned, features five elegant bedrooms with en-suite bathrooms. The bright living area, characterised by large windows, opens directly onto a furnished patio, ideal for relaxing moments outdoors.

The independent annex, located on a lower level than the villa, offers a bedroom with a private bathroom and a comfortable living area with an open-plan kitchen and dining room, perfect for a convivial stay. For those who love outdoor dining, a spacious pergola equipped with a barbecue and a cozy outdoor lounge provides the ideal space to enjoy the gentle Mediterranean breeze and the surrounding landscape. Villa Gisira boasts a strategic location, serving as the perfect starting point to explore the historical, archaeological, and natural wonders of southeastern Sicily. Within a few minutes' drive, you can reach the enchanting fine sandy beaches and crystal-clear waters of Pozzallo and Santa Maria del Focallo. A visit to the charming Baroque cities of the Val di Noto — Noto, Scicli, Modica, Ragusa, Syracuse, and the evocative Ortigia — is a must. For nature and archaeology enthusiasts, the river valley of Cava d'Ispica, with its prehistoric settlements, and the Vendicari Nature Reserve, with its long golden beaches, lagoons inhabited by flamingos and herons, unique flora and fauna, and historical remains such as the 15th-century Torre Sveva and the vestiges of the ancient Greek city of Eoro, are unmissable destinations. Villa Gisira is more than just an accommodation: it is an invitation to experience the most authentic Sicily, amidst unspoiled nature, millennia of history, and timeless traditions.
