DESCRIPTION

The house has a modern architectural design in perfect harmony with its mature garden and the surrounding landscape. Indoor and outdoor living transcend harmoniously, so it is equally suitable for all seasons throughout the year. Villa Goliath is ideal for a holiday break, a reunion of any kind, an anniversary celebration or even a small scale wedding event. The property sleeps 10-12 people. There are two bedrooms on the upper ground floor, one bedroom on the ground floor and two bedrooms on the lower ground floor.

On the upper ground floor the master bedroom consists of a private relaxing lounge space, a sleeping area with a king size bed, an en-suite bathroom with a private heated plunge pool, a walk-in closet and a private office space. The second bedroom on that level has two comfortable single beds and a private bathroom with its own Jacuzzi bathtub. It is ideal for two adults or the family's children. The upper floor is offering tranquility and serenity, as you can enjoy relaxing activities and discover real peacefulness.

On the ground floor level there is a small separate studio, consisting of a sleeping area with a queen size bed, an en-suite bathroom and a private living room with direct access to the swimming pool area. It can accommodate two more people if necessary with the use of a big convertible couch. Two separate living areas, the dining and the kitchen area are on this level too. Villa Goliath is offering upscale amenities and top-notch facilities in a very private and safe environment.

On the lower ground floor two more bedrooms, both with a queen size bed and an en-suite bathroom as well as another spacious multi-use living are available for our guests. All of them overlook the garden and have a panoramic view of the old town and the sea at the same time. Further down on that same floor level you find both the fully equipped gym and also the relaxing spa area with a Turkish steam bath, a Scandinavian sauna and a massage space, all of them overlooking the garden.

Villa Goliath is not just a destination that provides upscale facilities for your holiday break.
