DESCRIPTION

Contemporary interiors enliven and compliment this magnificent 600 year-old historic house. A truly unique and authentic property infused with history and Ibicencan bohemia.

Enjoy the beautiful vista from the glorious pool or hide yourself away in the secluded outdoor chill out areas, bask in the sun or snooze in the shade, dine in the barn or eat al-fresco, this is a playground for the guests, tailor made for the perfect vacation.

The large pool, set in beautiful, mature gardens, looks over the olive trees to the distant mountains. If you're entertaining guests, there are lovely areas for al-fresco dining and barbecues.

A large renovated farm building adjacent to the patio features the large summer-time lounge area and the professional summer-time kitchen, the barn is an excellent room for entertaining guests.

Kitchen two, a cosy family kitchen, is located in the main house, the wooden ceilings and blackened walls bear testament to the centuries it has served as a kitchen.

The living room, a space that is more than 500 years old, with an open fireplace, selection of art and design books and comfy couches, this is the perfect place to unwind.
