## DESCRIPTION

### Outdoors

Your villa's most striking feature is its immense white-and-stone terrace, bedecked with comfortable lounge chairs for you to linger during the day, as well as a choice of verandas and extensive pergolas for relaxation. You will fall in love with the incredible views and - of course- the infinity pool, that spreads all the way to the Aegean Sea ahead. Grace is surrounded by fragrant gardens, which along with the breathtaking views will be the perfect setting for your alfresco BBQ meals under the pergola.

### Interior Design

The villa is divided into the main house and 2 more guest houses, so that everyone can enjoy independence and privacy! The villa can sleep 10 adults and 3 children. There is plenty of space in the living room to sink in cozy sofas and chairs. The kitchen and dining area are very friendly and warm, with exposed ceiling beams and bohemian furnishings. Villa Grace boasts 5 bedrooms in total -3 in the main villa building and 2 in the guest houses each with a private kitchenette. The interior design is a typical example of a Greek summer house.
