On the ground floor, a spacious living room provides a comfortable place to relax. The separate dining room features a traditional wooden table and opens directly onto the terrace through French windows.

The villa's position also ensures that many rooms benefit from spectacular views across the sea.

Five Double Bedrooms with Sea Views

A large framed window provides beautiful views while you cook. The kitchen also includes an oven, dishwasher and washing machine, as well as a small breakfast table.

Three Terraces Overlooking Positano Bay

One of the highlights of this luxury villa in Positano Italy is its three terraces.

The largest terrace sits on the ground floor and enjoys an exceptional view over the bay of Positano. A pergola provides shade over the outdoor dining table, creating an ideal setting for relaxed meals.

There is also a comfortable outdoor lounge. Therefore, guests can settle down with a drink and watch the sunset across the Amalfi Coast.

The two remaining terraces are located on the first floor. Two of the bedrooms have direct access to these private outdoor spaces.

Shared Lap Pool and Semi-Private Beach

Guests staying at Villa Grand Positano have access to a beautiful lap pool perched on the mountainside.

From the pool, stairs lead down towards a semi-private beach with crystal-clear waters. The pool and beach are shared by only a small number of properties.
