DESCRIPTION

The unique quality of Villa Harpy 3, is the emphasis placed in constructing the villa around the aromatic orange trees, thus maintaining the grove within the home. Swim in the pool, as you smell the herbs and pick sumptuous oranges dotted along the wooden deck. An aromatic and savory experience not to be missed.

The ground floor hosts the open-plan modern kitchen, elegant dining room and lounge area, as well as two separate breezy bedrooms side by side, both with direct access to the pool, deck and garden. The bedrooms are abundant in wardrobe and storage space. Step into the shower and experience the outdoors! The ground floor's light flooded bathroom built with locally quarried marble and stone features, features a WC, and spacious hydro massage shower, leaving the impression that you are cleansing under showery rain. Complimented to this are the organic Cretan toiletries provided. An experience that will leave you invigorated.

On the first floor, the dramatic views from the master bedroom are exquisite.

With a magnificent king size bed, a luxurious bathroom with a craftily designed marble panelled en-suite bath tub with Jacuzzi, en-suite shower, and his & hers basins in the same open plan space, step in to your own private opulent cocoon.
