DESCRIPTION

The infinity swimming pool, filled with chlorine-free water and embellished with design elements, is ideal to enjoy a picturesque panorama during a lovely swimming retreat. The sunbathing area around the majestic pool is provided with deckchairs and umbrellas in addition to a covered pergola with sofas, set in the shadow of a minimal wooden shed. There are three corten iron buildings located by the pool, one of them used as storage for outdoor furniture and the second one as a locker room with bathrooms.

The outdoor dining area includes a large table lavishly set to enjoy lovely meals while relishing in the splendid sea view from the terrace, fully equipped with wicker armchairs around a coffee table. The perfect séance to taste an Italian coffee after lunch or just rest after a long day's sightseeing around this sun-drenched region.

Regarding the marvelous interiors, this 3-story deluxe property has been completely renewed with a perfect blend between traditional features and modern décor. Once an ancient dwelling, this opulent villa keeps some elements of its historical identity while showing a more contemporary taste in its details. The state-of-the-art kitchen with vanguard materials features an induction hob, microwave, and oven with a large fridge to stock your condos with local artisanal pastries and gourmet delicacies. The whole contemporary ambiance is peacefully mixed with wooden details on the walls and the pantries filled with typical ceramic plates set. The dining area features a glass table surrounded by essential chairs, completed by a decorated carpet showing a typical Sicilian artistic motif. The estate boasts six double bedrooms, each one with its own en suite bathroom, provided with air conditioning and heating as well. One of the bedrooms also boasts a contemporary fireplace and a cozy sitting area to peacefully enjoy the warmth of this idyllic spot.

Surrounded by a large park, this prestigious residence dominates the beautiful surrounding landscape, offering an enchanting view that ranges from Taormina to Acitrezza. An oasis of tranquility to enjoy absolute relaxation from its large terraces or on the edge of the scenic pool.
