### DESCRIPTION

Villa Haye has six bedrooms and six bathrooms and is decorated throughout with bespoke furniture from high-end designer brand B&B Italy. And, with four floors to explore all linked by a handy escalator, there is ample room to unwind, whether that is on the rooftop Jacuzzi or in the spacious lounge.

The large, open plan living room has a double height ceiling and large windows, letting in plenty of the Andalusian sun. The ground floor offers a luxurious Siematic kitchen with Neff appliances which makes cooking a delight. There is a stylish dining area, separated from the kitchen by a large island. One of the villa's six bedrooms with an adjacent bathroom is also located on this level.

Upstairs, in one wing, the master bedroom has its own en suite bathroom and large walk-in closet. Enjoy sea views from the bedroom's own private terrace. You will also find two more bedrooms on the upper floor, both with en suites and superbly decorated.

The basement offers two more bedrooms, both of which benefit from natural light, two bathrooms, a utility room, and a storage room.

There are covered terraces too, which give that 'best of both worlds' feeling – a flow of indoor to outdoor living that perfectly exploits the Marbella climate. Complementing the modern design, there is a sleek turquoise swimming pool contrasting against the white walls of the property.

Villa Haye is a stylish contemporary villa which blends perfectly with nature and its surroundings. And on a clear day you can see as far as Gibraltar and Africa.
