DESCRIPTION

The recent renovation incorporates in authentic yet contemporary manner the island's finest traditional architectural elements. Hand-finished "built-in" beds, sofas and tables in organic shapes, sculptured forms and fluid lines. Plastered walls recreate the caldera's texture in colors ranging from bright white to earthly, elegant pastel hues. Fine screeds on the floors, lime paints and lime washes on the interior and exterior walls, natural materials based on mineral hydraulic binders, mineral aggregates and coloured earths...

All elements participate in a charming game of cosines', of comfort, discreet luxury and quiet sophistication! Villa Hera in Oia Santorini is a large luxury house by island standards, around four hundred square meters. It comprises five levels: ground floor, first floor, terrace, Jacuzzi level and basement and can accommodate up to eight people in four bedrooms, according to the following three options: either in four double beds or in three double beds and two single beds or in two double beds and four single beds. Wireless internet access is available everywhere. Fully air-conditioned and centrally heated it is one of the very few luxury residences inhabitable all year round.

The villa's four bedrooms make you feel at home, as though you've been there before. Special attention has been paid to providing for a good night's relaxing sleep, a warranty to wake up in high spirit. Beds, mattresses, pillows and linen by Coco-Mat International, a company specializing in professional bedding systems, guarantee a restful, good night's sleep, sweet dreams that travel you to the glorious times. All rooms are fully air-conditioned, equipped with central heating for winter stay and wireless internet connection. In fact the bedrooms have distinct personalities and have been given family names: On the ground level a guests' suite comes with high vaulted ceilings, king size "built-in" bed, walk-in closet, en suite bathroom and veranda. Also on the ground floor next to the inner terrace a second suite features grout colored terracotta floor, Cycladic white textured walls, king size double bed, spacious wardrobe and en suite bathroom. Both rooms have direct access to the first floor and the terrace. On the first floor you will find one more bedroom, which apart from the vaulted ceiling, the "built in" double bed and textured Cycladic white walls, has its private balcony with stunning views of the sunset and the neighboring islands. Also on the first floor, overlooking the inner yard, there is one more bedroom which apart from the textured Cycladic white walls, king size double bed, spacious wooden wardrobe, this room has two large windows that provide plenty of daylight. Both rooms on the first floor are just a few steps away from the "take your breath away" terrace. The rooms share a common bathroom with a skylight window.

Villa Hera can accommodate up to eight people in four bedrooms, according to the following three options: either in four double beds or in three double beds and two single beds or in two double beds and four single beds.
