DESCRIPTION

Contemporary Golf Villa with Lap Pool and Roof Terrace

This contemporary golf villa showcases striking modern architecture, defined by clean lines and dramatic feature glass panels. From the moment you arrive, the design creates a sense of space and light. Furthermore, the exceptional outdoor area offers both a lap pool and a separate swimming pool, surrounded by beautifully landscaped gardens. A BBQ and alfresco dining area complete the setting, making outdoor living effortless and enjoyable.

Open-Plan Living and Ground Floor Suites

On the ground floor, a spacious open-plan kitchen, dining area, and living room form the heart of the home. Large doors open directly onto the decked terrace, allowing natural light to flood the interior. In addition, two double bedroom suites sit on this level. Each suite opens onto the outdoor space, providing privacy while maintaining easy access to the pool and gardens.

First Floor Bedrooms and Master Suite

Upstairs, you will find two further bedroom suites, including one king and one super-king room. The master suite features a generously sized dressing room, adding an extra touch of luxury. Moreover, a striking staircase leads to the villa's standout feature — an expansive roof terrace.

Roof Terrace with Plunge Pool and Golf Views

The roof terrace includes a private plunge pool and overlooks the central terrace below. From here, guests can enjoy uninterrupted views across the surrounding pristine golf courses. Whether relaxing during the day or enjoying sunset drinks, this elevated space offers both privacy and spectacular scenery.

Basement Cinema and Fifth Bedroom Suite

The basement level provides additional space for family or guests. Here, you will find a dedicated cinema room, perfect for quiet evenings indoors. In addition, the fifth bedroom suite features single beds and benefits from natural light, ensuring comfort without compromise.
