DESCRIPTION

Inside, Cycladic chic meets minimalism, with whitewashed walls that echo the Greek light and large windows that literally bring the outside in. An airy feeling floods the living room that boasts large plush sofas and fireplace; simplicity and grace characterize the decor, while both living room, the adjacent dining area and fully equipped kitchen offer direct access to the stunning infinity pool. The bedrooms feature traditional wood ceiling beams, windows with superb views and all white linens that create a relaxing tone for a perfect night's sleep.

The outdoor lounge with built-in sofa and large lanterns is the perfect spot to sip a cocktail, while the outdoor dining area with wood fire BBQ will host endless dinner parties under the stars. Magnificent olive trees and a blissful rock garden with indigenous vegetation reflect the plain Mykonian landscape and create a harmonious setting.

The small villa elevates island decorating style to a new level with a simple but enchanting living room and dining area, all white bedrooms with small colorful details that put a fresh twist on the typical Cycladic white element and spacious balconies furnished with comfortable lounge chairs.
