DESCRIPTION

The villa offers an exceptional ambience through its vast outdoor areas and chic indoors, which are a refined mix of Cycladic resort style spiced up by a more modern, industrial twist, exemplified by diverse premium materials such as stone, metal, wood and luxurious fabrics. There is so much class throughout the property; from the refined décor and furnishings up to the beautiful kitchen and en suite bathrooms and of course the elegant décor details that make all the difference. The result is an opulent ambience with brilliant, bright-furnished rooms, a plethora of large, common spaces ideal for gatherings and an overall genuinely comfortable accommodation.

Outdoors, a small paradise unfolds staging a wonderful swimming pool area, a Mediterranean garden with lawn area and inspiring al fresco lounges, all just a few meters away from the sea.

This is a perfect luxury sanctuary for true Mykonos lovers who want to enjoy the vigorous life at town without compromising the serenity of their private sphere.
