Luxury Villa Living

DESCRIPTION

The property boasts 5 double bedrooms, each sea-facing and decorated uniquely with exquisite attention to detail, and each with its own luxuriously contemporary bathroom.

The living accommodation combines abundant comfort with the latest in fixtures and finishes. The separate kitchen is au courant, with integrated European appliances, and there is a highly practical, separate utility area.

There are multiple options for relaxed and more formal entertainment with a formal lounge, not one but two TV lounges, each with a fireplace, and a separate dining room. Each room and area is decorated and equipped with meticulous taste.

The property also benefits from its own state-of-the-art gym, with massage and steam room. The unparalleled luxury inside is indeed matched by the glorious outdoor space, which includes a stunning semi circular pool, lounging and dining areas.

The breathtaking ocean views are maximised at every turn, with a plethora of windows and doors leading to the outside, which also ensure light and flow throughout the house.

Additional features include staff quarters, a wine cellar, under floor heating, air-conditioning, 2 parking bays and excellent security. This is an extraordinary property in a sought-after location.
