### DESCRIPTION

Inside the villa, you'll find a tasteful décor of greys, whites and neutral tones with premium quality furniture throughout. The modern kitchen has stylish Gaggenau appliances and a contemporary breakfast bar. Outside there are two terraces, one of which has its own pristine private pool and the other has an inviting Jacuzzi.

Villa Housby is extremely versatile. Sleeping up to 10 people, the villa is cosy in Winter with a snug fireplace yet cool in Summer with its refreshing outdoor pool and spacious terraces. There is also an en-suite bedroom separate to the main villa. Inside this deluxe and tranquil residence, every detail has been thought of with your comfort and enjoyment in mind. Being part of a gated community, security is paramount for your peace of mind. For those who like to work as well as play, rest assured the villa is finished with hi-tech appliances and fast wifi.

Villa Housby is on the front line of Aloha Golf course, one of the most prestigious golf clubs in the area. Nueva Andalucia is also known as the Golf Valley. The area is perfect for golfers with four top golf courses that are in close proximity : Aloha Golf, Las Brisas, Los Naranjos, and La Dama de Noche. Nueva Andalucia has a perfect balance, set far enough back from the bustle of Puerto Banus to feel peaceful amidst the Sierra de Ronda mountain range and close enough to walk into the port as and when necessary. It is a perfect location with Puerto Banus being only 5 minutes away by car, and Marbella is just a 10 minute drive.
