DESCRIPTION

The estate is actually two adjacent houses, the older more authentic main house with six bedrooms and the newer, more modern villa with three en-suite bedrooms. Think of the second house as an adjoining annexe to the main house (the upper half of this house can also be rented together - see Sa Riera Beach Penthouse). The house has been recently renovated and includes many upgrades such as air conditioning and new beds not to mention brand new furniture, fabrics and soft furnishings.

There is enough parking space for 8 to 10 cars. There's a private Padel court and moored within sight is a breathtakingly beautiful 8m Invictus speed boat which, for an extra charge can be hired with skipper included.

Suitable for small-scale events and weddings - ask for more details.

Please note that housekeepers live on-site in a self-contained separate part of the main house. They take care of the maintenance of the house, garden and pool. They are discreet yet are available if needed. Daily two-hour maid service is included in the price. Extra hours or a breakfast/cooking service can be arranged if requested in advance. In the past, the housekeepers ran a restaurant and their speciality is Argentinian Asado.

Throughout the house, one finds a number of patios and terraces where to sit and enjoy the views. Padel court with double shower room. Ample covered private parking for up to eight - 10 cars.
