Villa Ilios is a stunning luxury villa in Porto Heli, perfectly positioned beside one of the area's most beautiful sheltered coves. Just a few metres from the sandy beach, this spacious eight-bedroom retreat offers generous indoor and outdoor living areas, landscaped gardens, and excellent leisure facilities. It is the ideal choice for large family holidays and group escapes in Greece.

Located just 3km from the charming fishing village of Kilada, Villa Ilios combines privacy, comfort, and direct access to the calm waters of the Argolic Gulf. Sleeping up to 16 guests, the villa provides everything needed for a relaxing Mediterranean getaway.

Elegant Accommodation for Large Groups

Villa Ilios accommodates up to 16 guests across eight comfortable bedrooms spread between the main house, a separate guest house, and independent lower-level accommodation.

The main house features four bedrooms, spacious living areas, and a fully equipped kitchen.

The lower level has its own private entrance, kitchen, living room, and two additional bedrooms, making it ideal for families seeking extra privacy. A separate guest house offers two more bedrooms with a shared bathroom, creating flexible accommodation for larger groups.

Most bedrooms feature twin beds that can easily be converted into comfortable double beds upon request. In addition, selected rooms can accommodate extra or camp beds if required. Every bedroom includes air conditioning to ensure a comfortable stay throughout the warmer months.

Guests can also enjoy outdoor dining with the BBQ facilities, making long summer evenings even more memorable. The beautifully maintained 4,000m² gardens include seasonal vegetable gardens, adding to the villa's authentic Mediterranean charm.

Just a short walk from the villa, guests will discover a beautiful sandy beach with calm, crystal-clear waters. Although the beach is public, the villa provides private sun loungers and umbrellas exclusively for guests. Thanks to the sheltered cove, the water remains calm and shallow, making it ideal for families with children as well as water sports enthusiasts.
