DESCRIPTION

Villa Indigo is one of the most glamorous private homes overlooking the Half Moon golf course and vast ocean vista. Three world-class golf courses (Cinnamon Hill, Half Moon and White Witch) are within a five-minute drive.

The view is breathtaking ~ the deep blue sea to the north and magnificent mountains to the south. Here is the marriage of exquisite taste, beauty and comfort ~ floors of French limestone, Travertine marble and exotic pressed bamboo; walls of Barbadian coral stone and Venetian glaze. The details are immaculate and artistic. Furnishings are an exquisite combination of Asian antique and tropical colonial. Grounds are lush in orange and lime trees, avocado, papaya, mango, breadfruit, Poinciana, flame trees and delicate orchids.

Eight well-appointed bedrooms are complemented by inside and outside dining areas, a snug television den and an air-conditioned gym complete with TV and fitness videos. A supplemental generator ensures that Villa Indigo is never without electricity and air conditioning.

Villa Indigo is among the best-managed and best-staffed villas in our group. A staff of 10 ensure the highest levels of service 24 hours a day. Our expert chef presents exquisite meals from the state-of-the-art kitchen with a six-burner commercial gas stove and grill, two ovens, bread maker, rotisserie, microwave, wine cooler, ice maker and cappuccino/espresso machine. Chef Colin delights guests with his specialities of homemade pate, jerk chicken, lobster Newberg, grilled salmon in avocado sauce, pecan-crusted snapper, grilled shrimp and tenderloin, grasshopper pie and more. Table service is Wedgwood and Lenox china and sterling silver. Meals are served formally under the crystal chandelier or more casually on the al fresco 700-square-foot verandah overlooking the pool and magnificent ocean view.

Staffing at Villa Indigo is extraordinary including two butlers who provide 24-hour concierge service, room service and breakfast in bed.

The large infinity-edge pool flows as a waterfall into the hot tub on the lower lawn. The poolside bar has a television, blender, smoothie-maker, and fridge stocked with drinks.

While numerous balconies and overlooks are part of Villa Indigo’s contemporary architecture, the villa is child friendly. It offers complimentary cribs with mobiles, high chairs, a playpen, baby toys and games, water toys, floats, water basketball and three tricycles. The shallow end of the pool can be roped off to define where deeper water begins. Villa Indigo includes two connecting suites for families. Also notable is Villa Indigo’s accommodation of guests who use wheelchairs or are physically challenged.
