DESCRIPTION

The two air-conditioned cottages for a total of 14 people offer first-class amenities. Seven bedrooms with large double beds are available. Each with its own en-suite luxury bathroom with floor-to-ceiling showers, double washrooms, contemporary tile and stylish design.

Warm wood and stone decor conjures up a modern and natural country house atmosphere in the living rooms and bedrooms. The furniture is massive and partially exclusive. In the living rooms is ever a comfortable stove. The three luxury kitchens with spacious fridge are an absolute dream for ambitious hobby cooks. The large window fronts reveal the view of the garden and let the rooms shine in the friendly light. The name says it all: The selected details and design pieces underline the unique ambience. Our property will not open its doors until May 2018 and is perfect for larger groups and families looking to spend their holidays together
