DESCRIPTION

Luxury Villa in Paleokastritsa Cove

This luxury villa in Paleokastritsa Cove offers a refined coastal escape for up to 12 guests. Villa Irons includes five bedrooms, including a separate guest house, and combines sea-view relaxation with modern comfort. As a result, it works beautifully for families or groups who want space, privacy, and easy access to one of Corfu's most beautiful beach settings.

The villa's location is a major highlight, with Paleokastritsa Beach just 100 m away. Guests can enjoy crystal-clear waters, dramatic cliffs, nearby restaurants, and local markets within easy reach. This luxury villa in Paleokastritsa Cove also includes a private pool, lush gardens, sunbeds, BBQ kiosk, al fresco dining area, smart-home system, and charming hacienda-like exterior.

Inside, the villa feels bright, calm, and elegant. Therefore, guests can enjoy a relaxing atmosphere after days spent swimming, exploring, or dining by the sea.

Gardens, Pool and Outdoor Dining

The outdoor areas are designed for relaxed Mediterranean living. Lush gardens, trees, and stretches of grass create a peaceful setting around the villa.

Younger guests have space to play safely outdoors. Moreover, the private pool, sunbeds, and BBQ kiosk provide plenty of options for sunny days at home.

At sunset, the al fresco dining area becomes a beautiful place to gather. As a result, guests can enjoy meals with loved ones while taking in the stunning coastal views.

Coastal Interiors and Smart Comfort

The interiors feature distinctive coastal decor with a sophisticated Greek island feel. Weathered wood, off-white walls, wooden beam ceilings, and rustic details create a calm and stylish atmosphere.

The spacious living areas are ideal for unwinding after a day at the beach. In addition, the fully equipped kitchen makes self-catering simple and comfortable.

A smart-home system allows guests to control lighting and music through the tablet provided. Therefore, the villa feels both traditional in mood and modern in function.

Bedrooms and Guest House

Villa Irons includes five bedrooms and can accommodate up to 12 guests. The separate guest house adds extra privacy and flexibility for larger groups.

This setup works especially well for families, couples, or guests travelling across generations. Moreover, it allows everyone to enjoy shared spaces while still having private areas to retreat to.

The combination of main villa and guest house makes the property practical for longer stays. As a result, guests can settle in comfortably and enjoy a more relaxed holiday rhythm.
