DESCRIPTION

With 5 bedrooms, including a separate guest house, the villa can accommodate up to 12 guests. Get ready to indulge in a dream vacation and experience the beauty of Corfu's coastline like never before!

Step outside to the villa's hacienda-like, charming exterior, where the lush gardens are dotted with trees and stretches of verdant grass, providing the ideal place for younger guests to play. The private pool, sunbeds, and BBQ kiosk make for endless fun too. At sunset, gather around the al fresco dining area and savour a delicious meal with your loved ones while enjoying the utterly stunning views.

As you enter the villa, you'll be impressed by the distinctive coastal decor. The weathered wood, off-white walls, wooden beam ceilings, light and airy atmosphere, and few rustic elements merge to create a sophisticated Greek island feel. The spacious living areas provide the perfect place to unwind after a day of exploration, while the fully equipped kitchen and modern amenities ensure you have everything you need for a comfortable stay. The home also offers a smart-home system that allows you to change the lighting or music with the touch of a button on the tablet provided.

The villa's location in Paleokastritsa Cove is unbeatable, with the stunning Paleokastritsa Beach just 100m away. You'll have easy access to nearby restaurants and markets, making it easy to enjoy local cuisine and culture. The cove is a true natural wonder, with crystal-clear waters and towering cliffs that will take your breath away.
