DESCRIPTION

Figures of animals in carved wood mirrors with natural designs and a great variety of artistic and typical Colombian pieces throughout the house.

It has 5 very spacious rooms, with wooden windows around the entire room allowing the entry of natural light throughout the space, with an incredible view of the sea and the Caribbean Palms. The bedrooms have a total of 3 queen beds and 2 king size beds for a pleasant accommodation.

The most spectacular feature of this property is the 17-meter pool, along with the house, to cool off under the heat of this area, along with family or friends and make the most memorable memories of your trip. It has another 3.6-meter additional pool that you can also enjoy.

Each of the corners of this house, has magic and life, without a doubt this is one of the favourite destinations of tourists in Santa Marta.
