

Luxury Villa Living

Villa Iva

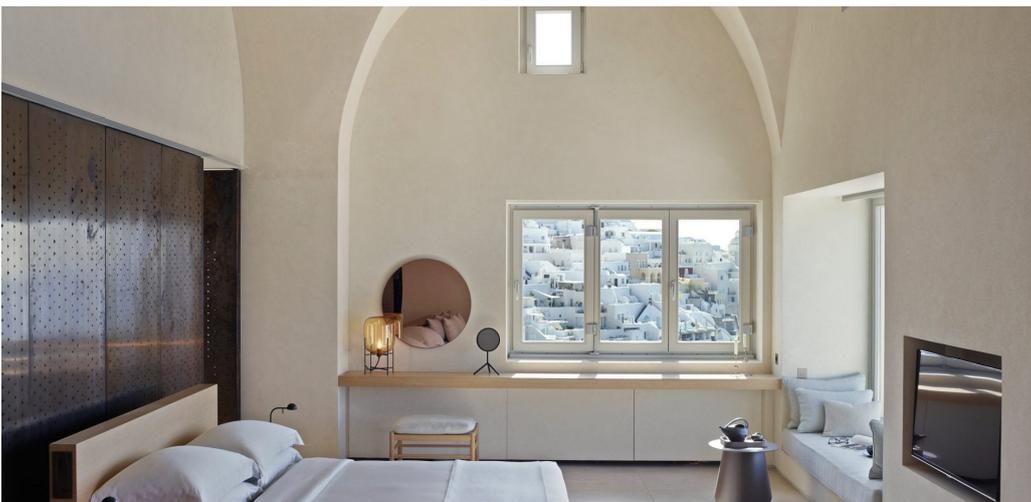

Magically hanging from the cliff of the Caldera, villa Iva encapsulates the essence of high-end luxury in Fira town. As a precious landmark built by one of the most prestigious personalities back in the day, this luxury villa in Fira was fully renovated in 2016 by a well-known architect, combining the Cycladic tradition with the latest trends in architecture to reach new heights in hospitality. Featuring a breadth of upscale facilities as well as an awe-inspiring Caldera view and unobstructed sea view, this luxury villa in Fira takes holidays to a whole new level of indulgence.

DESCRIPTION

Villa Iva caters to high-end individuals and discerning guests and therefore offers an upscale range of facilities and services so as to meet their exclusive needs and desires. Every wish is our command, from private in room dining, to travel arrangements, transfer services in luxurious cars and wedding organization, whatever you dream is we can make it possible.

Suite 1

Built in two different levels, the suite enamours guests with its unobstructed views to the Caldera and the volcanic islands. The suite features a cosy living room, a beautifully designed master bedroom with a king size bed, an open plan bathroom with bathtub and a separate bathroom with steam/hammam bath. This exceptional suite comes complete with the dressing room boasting breath-taking vistas to the sea, the caldera and the majestic scenery.

Suite 2

Split in two different levels, covering an area of 60 square meters, this maisonette has been inspired by the Greek Ruler of the Winds and features a spacious bedroom dressed in white. The bedroom comes complete with a king size bed and incredible views to the sea and the renowned Caldera on the upper floor along with a bathroom with shower and glass walls. The lower floor features the elegantly appointed living room with a sofa bed boasting unobstructed views to the sea and the caldera and a separate lounge area allowing guests to gaze at the extensive vistas.

Suite 3

Covering an area of 60 square meters, the suite features an elegant living room with sofa beds with views to the sea and the caldera, a large boudoir, a spacious bathroom and a steam/hammam room for hours of complete repose. Esteemed guests are welcome to fully unwind on the king size bed of the master bedroom offering direct access to the private veranda with the plunge pool and sunbeds from where the views to the caldera and the volcanic islands are simply breath-taking. Inspired by the eternal element of life, earth, the suite offers a natural haven for esteemed guests.

Suite 4

Built in an open plan style, this 65 square meter suite inspired by Santorini's volcanic lava features a king size bed with astonishing views to the sea. The suite also features a charmingly appointed sitting area, a walk in wardrobe, a spacious bathroom and rain shower as well as a beautifully fitted private veranda with a cosy lounge area and majestic views to the sea and the caldera.
