DESCRIPTION

Luxury Villa in Quinta do Lago with Private Pool, Sauna and Golf Facilities

This luxury villa is located in Quinta do Lago, one of the Algarve's most exclusive destinations. It offers elegant living spaces, extensive outdoor areas, and close access to world-class golf and leisure facilities. As a result, the villa is ideal for families and groups seeking comfort, privacy, and resort-style living.

Elegant Algarve Villa with Spacious Interiors and Garden Access

The villa is designed for relaxed luxury and comfortable living. In addition, large interior spaces flow naturally into the outdoor terraces and gardens.

The formal living room is spacious and elegantly furnished, featuring a flat-screen TV with cable channels and WiFi throughout. Furthermore, the dining room seats up to ten guests and opens directly onto the terrace and garden.

A modern fully equipped kitchen includes a casual breakfast area and an American-style fridge freezer. As a result, the villa is well suited for both entertaining and family stays.

On the ground floor, two twin bedrooms enjoy direct garden access via patio doors. In addition, both rooms include en-suite bathrooms for added privacy and comfort.

First Floor Master Suite with Private Terrace

The first floor is home to an exceptional master suite. Therefore, it offers generous space and a high level of privacy.

The suite includes a separate dressing area with ample wardrobe space and his-and-hers bathrooms. In addition, one bathroom features a bath while the other includes a corner shower.

Patio doors open onto a large private terrace overlooking the gardens. As a result, the suite offers a peaceful and private retreat.

A further double bedroom on this level includes an en-suite bathroom and access to a spacious terrace.

Lower Level with Sauna and Additional Living Space

The lower floor provides additional flexible living space. In addition, it includes a large TV room that can be used as an extra bedroom for two to three guests on request.

This level also includes a shower room, WC, and a private sauna. Therefore, it offers a dedicated wellness and relaxation area within the villa.

Outdoor Living with Pool, BBQ and Entertainment Spaces

The outdoor areas are one of the villa’s key highlights.

Quinta do Lago sunshine enhances the expansive terraces, landscaped gardens, and poolside lounging areas. In addition, multiple seating zones provide space for both relaxation and entertaining.

A purpose-built BBQ gazebo creates an ideal setting for al fresco dining and sunset cocktails. Furthermore, the 12m x 5m swimming pool includes Roman steps and a shallow end for easy access.

The pool can also be heated at an additional cost. As a result, the villa is suitable for year-round stays.

Private Golf and Family-Friendly Outdoor Facilities

This villa offers unique recreational amenities. In addition, it features a private three-hole synthetic putting green beside the terrace.

For families, the landscaped gardens provide space for football, volleyball, and table tennis. Furthermore, outdoor seating areas ensure comfort throughout the day.
