### DESCRIPTION

Villa Janthia offers open space to a fully equipped kitchen and living area, modern furniture paired with calming white colours. A large wooden dining table surrounded by large openings where the sun warms the atmosphere is inviting the guests for dinner. Comfortable white welcoming couches fill the living room area where the direct view to the sea gives the impression that you were always here. Calmness and quietness embrace the sun during the morning hours and give a sense of relaxation.

At the same level, three double bedrooms with en-suite bathrooms invite you to a very comfortable stay in a minimalistic décor.

A mezzanine style double bedroom with an en-suite bathroom only a few steps higher and a twin bedroom with an en-suite bathroom a few steps lower offer direct access outdoors, completing this way the villa's layout.

A large swimming pool with an extraordinary panoramic view of the Golden Beach area is the main outdoors meeting point. Spacious areas outside that have direct access from different indoor points, lead to the swimming pool. The pool has an exclusive sea view and pergola-covered areas. White cushions, soft fabrics and modern decor details ensure both an atmospheric as well as a comfortable accommodation. Greeneries around the patios complete the garden of this luxurious property.
