DESCRIPTION

This amazing large luxury villa for rent is situated near the white city of Ostuni and the Natural Reserve of Torre Guaceto, known for its beaches and crystal clear waters, a protected area where it is also possible to organize nature walks or cycle trekking. Torre Guaceto is also one of Puglia's top locations for kite surfing.

Magnificently designed by the famous interior designer Zehava Kronkop, Villa Jenner is with no doubt the perfect choice for those looking for an exclusive holiday in the Salento region.

Carovigno is a small town, unspoiled by mass tourism, where you can find bars and restaurants. During the summer months, the city center and its castle become the stages of many events, from classical music to street artists and food festivals. With its international and sophisticated interior design, Villa Jenner is a top luxury house specifically thought for families or small groups of friends wishing to be spoiled by the beauty of the place and the quality of the services provided.
